To maximize your enjoyment we do not want our crew to over *or* under assist you during your fishing day. Please tell us how much or how little you would like us to help and a little about your experience big game fishing.

Assistance:

Normally when a billfish is spotted the captain and mate work as one to bait the fish, hook it, then hand it to the customer where the battle begins. Many of our customers are very experienced in this method of fishing and prefer to do everything themselves. We want you to have the best experience possible so please indicate your preferences.

- I want to bait and hook my fish. I want the crew to bait and hook my fish.
 Upon jig strike I will hook my fish. Upon jig strike have the crew hook my fish.
